

## PRODUCT USE GUIDE FOR INDUSTRIAL HEAVY DUTY CLEANER IHDC

### Product Description

A hard surface cleaner capable of an enormously wide range of cleaning jobs, from interior paintwork, the cleaning of oily residues, removal of clay and oil from heavy earth moving equipment. The product is non perfumed and safe to use where food is processed without tainting.

### Product Features

- Rapidly penetrates greasy dirt, binding oil and grease, allowing the detergents to suspend and float away the droplets of oily matter and the particles of dirt exposed by its removal.
- Simple and effective to use.
- Contains no fragrance, will not taint surfaces and is food safe.

### Direction for Use

- Always dilute with water.
- Apply by brush, swab or low misting spray.
- Agitate surface to loosen heavy deposits and simply rinse off with clean water.
- For average soiling, use between 50ml – 100ml of product per 5L of hot water (50°C).

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

### Environmental

- Do not allow large quantities of neat product to enter surface waterways.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
