limescale remover

DELPHIS*

*eco PROFESSIONAL CLEANING

Our limescale remover is a dynamic descaler that easily removes heavy limescale, rust and stains from toilets, taps, sinks and showers. It's safe to use on all washroom surfaces including chrome, porcelain enamel and stainless steel. Scan the QR code for more info.

benefits

- ✓ doesn't contain any harmful acids
- ✓ kills germs where bacteria breed
- ✓ viscous clinging formula
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

application and directions

Use intermittently. **No not use** on sensitive metals. Test on a small area first.

Toilets and urinals: Apply directly to affected area. Leave for 10 minutes, brush to loosen stubborn scale. Flush or rinse away.

Washrooms and showers: Dilute 1:10 parts water. For all hard surfaces including taps, sinks, showers, stainless steel, etc. Apply with a damp cloth to affected area. Leave for 10 minutes then wipe and rinse with clean water. For larger surface areas such as floors, use a mop and bucket.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles. Use the above dilution ratios for best results.

areas of usage

- washrooms
- baby changing areas
- toilets
- public conveniences

safe handling and storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.

technical data

Figures are typical values and should not be used as specifications
